SCMPE - All Courses Detail

Message

I hope this message finds you in pink of health. From a student who cleared in May 2002 to a teacher, it has been 19 years of teaching and the whole world of business changed. This subject used to be called costing then came AMA and finally SCMPE as you know it now. With the name, everything changed and it is now a subject that is analytical apart from being calculative. As per me, it is the only subject that teaches a student each aspect of the business and if you ever desire to do MBA after CA, then you will meet this subject again. We have launched various courses in the last few years which will benefit each and every student. This prospectus gives you the list of various courses which are available for the students..

Rankers

Siddhant Bhandari, CA FINAL, AIR 1 – Nov 2018

Studied costing from AJ Sir and it was best.

Amit Dadich, CA Final, AIR 14, May 2019

For me, Anuj Sir has been nothing less than exceptional. The way he makes the whole class participate in discussions is just phenomenal.

Abhinav Gadia, 24th All India Rank in IPCC, May 2013, 27th All India Rank in CA FINAL, May 2016

IIM - Ahmadabad

I'm writing this basically to thank you for 2 reasons:

First, for the wonderful friends, and memories which I got to take away from here during the 3 and a half years from IPCC, to Final CA.

I'll always remember and cherish those!

And second, and more importantly, for the wonderful learning experience that you have provided. A big thank you to all the professors for their constant and continuous help, support, approachability and well, just being the wonderful teachers that they were. The conceptual clarity that I have gotten from the professors is something I am really thankful for. I was in some other class for CPT, and it was a tricky decision for me to join a new class. But I did so because of Anuj sir, and so did many of my friends. In hindsight, I can say that it was a great decision to take the leap of faith, because he and his team guided us, mentored us and helped us grow through the course as students being able to accomplish things we could only dream of when we entered the course and making us ready to enter the fraternity.

Krishna Gupta, AIR 3, CA Final, May 2017

Special thanks to AJ Education NeXt for helping me crack the exam. All the subjects were taught very conceptually and that helped in better understanding of all the subjects. I remember that we were taught the entire portion of costing without learning a single formula. For subjects like costing and SFM, the basics were done very well and a lot of pm questions were covered in the classroom itself which helped a lot. Also, notes for subjects like law and ISCA excellent and concise. The faculty was easily approachable for doubt solving and the portion was completed in a timely manner so we had enough time for self-study. Big thank you to the entire team of AJ NeXt.

Mukund Maheshwari, CA FINAL, AIR 5, May 2018

Practical Perspective into the subject by Anuj sir helps you to write the exams in a better manner, so I selected anuj sir

Deepanshu Mittal, CA Final, May 2019

Not the names but the way of teaching, learning and making studying fun. Not just the teachers but I also had a good time with the staff. All I can say is 5 years well spent.

Fortunately cleared attempts in the first go. unfortunately, won't be able to meet then again.

Hinaye Davda, All Subject (CA Final), AIR 40, May 2019

My experience at AJ Education NeXt was great. It laid the stepping stone for my performance in CA Final. Anuj Sir's logical explanations (no need to remember any steps), Sridhar Sir's notes plus his real-life examples, Aditi mam's short – cuts, & last but not least Arish Sir's welcoming attitude towards my endless doubts. All of this made a great contribution when it came to studying during my heart for having faith in me.

Keshav Parwal, AIR 20, Costing (CA Final), May 2019

I took classes from Anuj Sir. Class discussion & interaction made the subject very interesting. Practical scenarios discussed in classes made the subject interesting. It helped in case studies.

Mehul Parmar, AIR 30, Costing & Direct Tax (CA Final), May 2019

First of all, I would like to thank Anuj Sir and their entire team for such a warm welcome. I had an amazing experience being a part of AJ NeXt, Anuj Sir's costing is commendable, his explanation before solving any question is so amazing that the entire question can be solved on its own.

Tvesha Sippy, AIR 39, CA INTER (IPCC), May 2014 and CA FINAL, May 2017

"CA is too tough! The pass percentage is only 9.5%!" If you've heard any of this, let me tell you, I had been told the same. While there is some truth in what you've heard, you have the power to decide the future of your CA career like how I did. Today I've successfully cleared both groups, what did I do?

One right decision: Joined AJ NeXt!. With utmost honesty, YOU have to work hard, but that needs to be backed by two things:

1. Crystal clear concepts
2. Practice

AJ NeXt, equipped me with these two things.

1300 hours of coaching (highest in India) together with student-friendly and extremely competent professors and a helpful staff, AJ NeXt provided me with the best environment to learn!

They focus on content and the study material and the test series gave me the confidence to appear for CA INTER & CA FINAL do well.

You will not find them in any advertisement of any bus or train, but you will find them in the success of each and every student who joined AJ NeXt in the journey as a CA student!

I thank AJ NeXt, all the professors and staff, for being the best guide in this CA journey! Ever so grateful

Mukund Maheshwari, AIR 13, Costing (CA Final), May 2019

The Ability of Anuj Sir to simplify complicated concepts is simply Amazing, wish everyone has a similar approach towards life.

Rishang Jain, AIR 47, CA INTER, May 2014 and CA FINAL, May 2017

Right from the very first day I learnt my concepts well, our Teachers helped to strengthen all our basics in the best ways. Their top-notch coaching faculty would encourage me to put in my best efforts, while their in-depth knowledge in their respective subjects is unmatched. They were easily approachable and were willing to solve doubts even after the official coaching hours. Their test series which was conducted in 3 levels tested my knowledge in a controlled environment and provided me with an opportunity to detect my shortcomings and improve for my actual attempt.

After all that hard work in class, we had enough time for Self study which is another great plus point. All in all, it was a tough but great journey, our teachers were always available to help us, the friends I made were also great support, it is upto you to set your

priorities right and give in the best you can. In conclusion, I would like to thank AJ NeXt for inspiring me to my biggest achievement to date, without whom it would not be possible.

Noaman Sarauff, AIR 44, CA Final - Nov 18

My overall experience at AJ NeXt was pretty good. Right from IPCC, it is Anuj Sir from whom I have learnt costing the way he teaches costing is simply amazing, making sure that your concepts are crystal clear and there is never a dull moment in his class.

Yash Khetan, Costing & Direct tax (CA Final), Nov 2018

First of all, I would like to thank Anuj Sir for guiding me through difficult times. Anuj Sir's style of teaching is unlike any other professor I have ever seen (very professional)

Deval Modi, AIR 3 - CA FINAL, May 2015,

I convey my sincere gratitude to AJ Education NeXt (formerly Professional Academy) due to which I was able to secure an All India Rank 3 in the Final CA examination. The content not only covered the prescribed syllabus but also had practical aspects to it which has enabled me to grow in the business world. The faculty here are proficient and experienced in their respective fields. They are wonderful mentors and the environment created by them, was very conducive to bringing out the best within me. The test series was very well developed and comprehensive, making me confident for appearing to such formidable exams with ease. I owe a substantial part of my success to AJ NeXt.
